ABOUT ME

UI/UX Designer and Junior Frontend Developer with a Higher Technical Degree in Web Application Development (DAW) and a strong passion for creating digital experiences that combine aesthetics, functionality, and usability. Proficient in Figma, React, WordPress, Next.js, TypeScript, Three.js, and LLM integration. I am planning to begin a university degree in Interactive Communication at UAB in September. I am seeking a remote position within a collaborative team where I can continue developing my skills while contributing from day one.

WORK EXPERIENCE

Prácticas DAW — WordPress Grupo-Partner | Junio 2025 - Enero 2026

- Developed and maintained WordPress websites for real-world clients
- Built and customized themes and plugins, with a strong focus on responsive design
- Worked within a digital agency environment following real-world project methodologies

Cuidadora / Babysitter | Enero 2026 - Junio 2026

- Independently managed responsibilities, demonstrating a high level of trust placed in me by the family
- Organized routines, activities, and schedules for two children of different ages
- Handled unexpected situations calmly and with sound judgment

Invigilator Cambridge | Mayo 2026 - Actualidad

- Supervised official Cambridge examinations, ensuring compliance with regulations and maintaining the integrity of the examination process
- Verified candidates' identities and provided assistance throughout the examinations to ensure their smooth and proper operation
